Date of the programme: 20.6.2023

**Organized by:** Faculty members of the department of Physics, Chakdaha College.

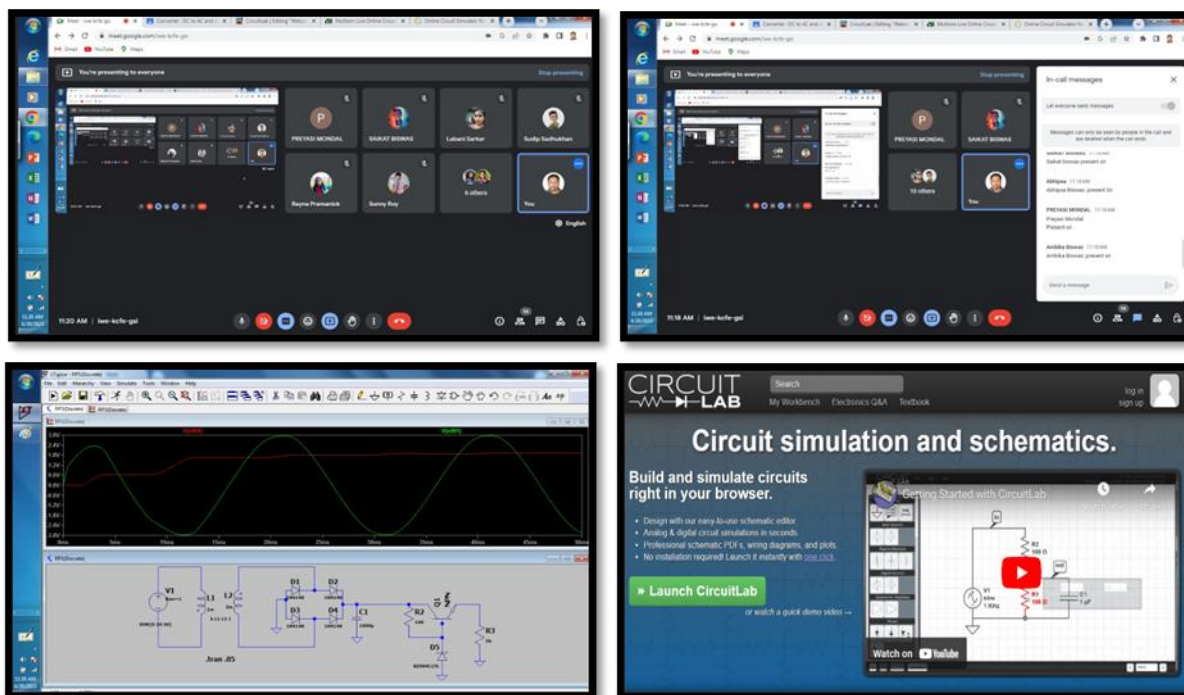

**Resource person:** Biswajit Roy, Assistant Professor, Dept. of Physics, Chakdaha College.

**Objective of the programme:** To educate students about various simulator to analyse electric and electronic circuits.

**Outcome of the programme:** The learning outcomes of the programme are

1. Students learned LTSpice simulation software for analysing circuits which includes regulated power supply, Oscillator etc.
2. Students learned CircuitLab which is an online circuit simulation software.

## Certificate Course on CONVERTER: A.C TO D.C OR D.C TO A.C

**DURATION : 30 Hours**  
**Eligibility: 10+2 PASS**  
**MODE: BLENDED**

Organized by  
Department of Physics  
Chakdaha College,  
Chakdaha, Nadia, W.B.

### About the Course:

Today's Physics depends on application based approach. Keeping in mind, we are organizing the certificate course on different types of Converter. Our main objective is to make the students familiar with the working principle and function of daily used basic household electrical appliances or instruments. After completion of the course the students can construct some readymade used household electrical circuits.

## OBJECTIVES:

- o Gather theoretical skill about basic electricity and Electronic / Electrical appliances.
- o They can improve their practical knowledge.
- o Hand on construction of electrical circuits provides confidence to them about electrical instrument making.
- o Get idea about the functionalities of different Electronic/Electrical components used in practical fields.
- o Electrical component Study about different power converters.

## OUTCOMES:

On completion of the course

The participants can get enough confidence and skill to develop different types of useful Electronic / Electrical Instruments / devices.

## SYLLABUS:

- Module I: Concepts on Direct and Alternating Current, Basic theorems of current circuits.
- Module II: Function and Application of Active and Passive Electrical circuit components.
- Module III: Function and Design of filter circuits.
- Module IV: Design of step down Centre Tapped Transformer and Electrical Circuit Board with safety components, Regulated Power Supply
- Module V: Design of Power Converter using Transformer, Diode, Transistor and MOSFET.

## Orientation programme on “Effective use of ICT tools in teaching learning process”

**Date of the programme:** 11.04.2023 and 12.04.2023

**Organized By:** E-learning and ICT management Sub-committee, Chakdaha College.

**Number of participants:** 88

**Name and details of the resource persons:** Dr. Arun Kumar Nandi, IQAC Coordinator, Associate Professor, Dept. of Economics, Chakdaha College and Biswajit Roy, Assistant Professor, Dept. of Physics, Chakdaha College

**Objective:** The objectives of the programme include:

- To encourage teachers towards more efficient, effective and creative uses of basic application software to their everyday teaching.
- To make teachers digitally aware to integrate ICT tools into the curriculum.
- To promote computer-based educational resources.
- To increase the knowledge on the importance of ICT tools among teachers so that they can make students aware of it.
- To teach the hands-on training of ICT tools used by teachers.

**Brief write-up on the programme:** The programme was aimed to teach the use of ICT tools such as digital smartboard, digital writing pad, LED Display, LED Projector in teaching and learning process. The programme was held in two days and organized exclusively for faculty members. The programme was started with a keynote address delivered by Dr. Swagata Das Mohanta, Principal, Chakdaha College. On the first day Dr. Arun Kumar Nandi delivered a talk on all features of the smartboard to use during direct and indirect teaching and Biswajit Roy delivered a talk on the features of digital writing pad and the editor softwares such as Microsoft onenote, Xournal to write on it. The seminar ended with question-answer session and a hands-on training of the teaching staff for the use of these tools. A laptop along-with digital writing pad was distributed among the participating staffs for the purpose of using while they are teaching. On the 2<sup>nd</sup> day Mr. Sujash Karmakar and Mr. Anip Roy under the supervision of Dr. Arun Kumar Nandi, Dr. Mintu Debnath and Dr. Ananya Roy Chowdhury, demonstrated the setup of connection between the laptops and the LED Display and LED Projector to display the study content while delivering lectures in the class.

**Outcome:** The learning outcomes of the programme include:

- The participants learnt the techniques of using digital smartboard and how to implement it while teaching during direct teaching in classroom.
- The participants learnt the complete setup of the laptop with digital writing pad and LED display and LED projector and displaying their teaching content.
- The participants learnt the methods on how to write on the editor softwares (Microsoft onenote, Xournal) using the digital writing pad and make study materials while delivering lectures.

**Date of the programme:** 27.09.2020 from 18.30 pm – 21.30 pm

**Organized by:** Faculty members of the department of Commerce and IQAC, Chakdaha College.

**Resource Persons:**

1. Prof. Dr. Tuhin Mukherjee, Assistant Professor, Department of Business Administration, K.U.
2. Dr. Indranil Ghosh Ray, P.D. Research Fellow, Department of Computer Science, University of Warwick, U.K.
3. Prof. Dr. Sayantan Kundu, Assistant Professor, Accounting & Finance, IIM, Ranchi.

**Brief write-up of the programme:** During the pandemic period, Department of Commerce and IQAC, Chakdaha College organized an international level webinar on the topic: “Artificial Intelligence: Emerging Trends of Technology and its Impact on Business Studies, Employment.” With the Principal of Chakdaha College, Dr. Swagata Das Mohanta, as the patron of the webinar, its chief guest was Prof. (Dr.) Saikat Mitra, Honourable Vice-Chancellor of MAKAUT, West Bengal. The programme was conducted in google meet and YouTube live and the students of Chakdaha college and other colleges also took part in this programme. All of the invited honourable speakers gave valuable talks in the webinar. The webinar was set about by the patron, Dr. Swagata Das Mohanta, with her welcome address. Then Prof. (Dr.) Saikat Mitra delivered an inaugural speech. After that the invited speakers gave their valuable talks. Dr. Indranil Ghosh Ray emphasized on the technology associated with the quickly emerging Artificial Intelligence while the other two speakers, Prof. (Dr.) Tuhin Mukherjee and Prof. (Dr.) Sayantan Kundu gave their talks majorly on the impacts of AI in the business sector and employment. After that an interactive Q & A session was also held, where the attendees were able to ask their questions related to the topic. To wrap the event up, a final vote of thanks was held at the end. Overall, the international webinar organized by Chakdaha College got very vigorous and applauding feedback.
