Action Taken Report on the Administrative Audit Recommendations (2019-20)

1. **Signing of MoUs:** The college has initiated discussions with various organizations to sign more Memorandums of Understanding (MoUs) for collaboration and resource sharing.
2. **Enhancement of Library Space:** Plans are underway to expand the library space to accommodate the growing collection of books and provide better seating arrangements for students.
3. **Installation of Cold Drinking Water Facilities:** Cold drinking water facilities have been installed at strategic locations across the campus for the convenience of students and staff.
4. **Construction of Additional Washrooms:** Plans are in place for the construction of additional washroom facilities to cater to the needs of physically challenged individuals and ensure inclusivity.
5. **Digitization of Library:** Currently digitizing entire library collection and services for enhanced accessibility and online resource sharing. Installed Koha software, OPAC system, and maintaining N-LIST membership.
6. **Improvement of ICT Facilities:** Upgrades are being made to the ICT infrastructure to enhance connectivity and provide better access to online resources for both students and faculty.
7. **Green/Energy Audit:** Scheduled a green/energy audit to evaluate energy consumption and identify conservation opportunities. Implemented measures like restricting automobile entry, banning single-use plastic, and enhancing landscaping. Obtained certifications for green audits, environmental initiatives, and off-campus environmental promotion efforts.
8. **Construction of Auditorium:** The college administration is exploring options for the construction of an auditorium to accommodate large gatherings and facilitate cultural events and seminars.
