C. Organizing Department: Seminar sub-committee, Chakdaha College

D. Date and time of the Activity: 11.03.2020 from 13.30 pm – 15.30 pm

E. Number of participants: 171

F. Speakers: **Dr. Naba Kumar Mondal, Professor and Head, Department of Environmental Science, University of Burdwan**

G. Outcome:

The seminar “Radiation Hazards from Domestic Gadgets” was organized by the Seminar Sub Committee, Chakdaha College on 29.02.2022. **Dr. Naba Kumar Mondal, Professor and Head, Department of Environmental Science, University of Burdwan**, an eminent scientist and expert on this field, has delivered his lecture on effects of modern gadgets which may cause an exposure of electromagnetic radiation and its effects on mental and physical health of living things. He also expressed his concern and delivered a message for the optimized safe use of those gadgets in our daily life. The teaching, non-teaching staff and the students of our college were the participants of the seminar. The seminar was a grand success.

H. Objective:

When used, household appliances produce electromagnetic radiation, and exposure to excessive electromagnetic radiation over an extended period of time can be harmful to human health. The effects of electromagnetic radiation on the human body can be successfully reduced by having a correct understanding of how these devices produce electromagnetic radiation and taking preventative measures. The main goals of this seminar were to analyse the electromagnetic radiation produced by popular household appliances and to provide advice on how to shield oneself from electromagnetic radiation.
