BACK COVER:
CONCEPT NOTE: Partition of India had always been a contentious issue as per as the historical paradigm is concerned. The genre of literary history is also well enriched with the various themes and ideas of partition and as a result of which various multifaceted approaches had been implemented from different scholarly directions. The colonial rulers in the mid twentieth century always looked for a speedy transfer of power and thereby the partition had proven to take place in a hurry which had also led to displacement of common people on both sides of the borders. Emotional attachments had always been the part and parcel of the partition which got an immense representation in various historical works and discourses along with other forms of literature.
Sub-themes:
 1. Understanding the concept of Partition and the factors leading to it.
 2. Literary Representation of Partition.
 3. Communalism and Partition.
 4. Partition: Solution or Coercion.
 5. Biographies, Autobiographies and Memoirs of Partition.
 6. Fate of the refugees: West and East Pakistan.
 7. Governmental policies and Partition.
